**CERTIFICATION OF JAMES L. WAMSLEY IN SUPPORT OF FREESCALE
SEMICONDUCTOR'S MAY 13, 2008 DISCOVERY LETTER**

The undersigned counsel for Freescale Semiconductor, Inc. hereby certifies as follows. I first raised the issue of whether ProMOS Technologies, Inc. would agree to answer Freescale's interrogatory no. 30 with respect to Freescale's request for admissions 25, 26, 41-48, 59 and 60 by email sent to counsel for ProMOS on April 28, 2008. ProMOS did not respond to that April 28 email in writing, but the issue was discussed during a meet and confer telephone conference the parties had on May 12, 2008 to discuss various outstanding discovery disputes, which lasted a total of approximately 90 minutes. During that telephone conference, ProMOS indicated that it was unwilling to provide any further answer to Freescale's interrogatory no. 30.

A handwritten signature in cursive script, reading "James L. Wamsley", is written over a horizontal line.
